When The Feet Hurt

My long day through acid rain following the hope The right day to lose one's way it's like yesterday - tomorrow is coming

My weaknesses can't hold you now falling to pieces The right day to lose one's way It's like yesterday - tomorrow is coming

So, don't you know - how it feels when... When the feet hurt

My wrong pray to you lying for freedom The right day to lose one's way it's like yesterday - tomorrow is coming

And One
