Andre Nickatina

Ye ye yeh yeh
That's something right there
It's him, dat nigga, my nigga dem niggas; don't get no bigga

Just fuckin aroun' in the booth
Tell you a little something about dat nigga
Tell you a little something about my nigga
And I'm a tell you something about dem niggas
We all niggas
Even you Mc-peezy
You my nigga
Fa shizzle (my nigga)

I remember bein 8 with dat nigga
The knees I scrapped with dat nigga
And when I got hungry
When down on Haight with dat nigga
In stored taste with dat nigga
And then prayed with dat nigga
And got it straight with dat nigga
I saw my fate with dat nigga
Learned how to hate with dat nigga
I got in shape with dat nigga
I became great with dat nigga
I hung out late with dat nigga
Made my pace with dat nigga
When shit popped off
Evacuate with dat nigga... shit

Little something about dat nigga
And den we got my nigga
And den we got dem niggas
It's a dirty game

I went to school with my nigga
I played hoop with my nigga
Got a loot with my nigga
Told all the scoop to my nigga
Looked at them too with my nigga
Is this me or you my nigga
Copped bitches, blue my nigga
'cause I'm true to my nigga
I came? with my nigga
Always on cue with my nigga

When it was who, my nigga
I told her shoo from my nigga
I eat glue with my nigga
I'm never through with my nigga
And when we needed some blunts
I bought two for my nigga
You see I'm cool with my nigga
Would know what to do with my nigga
What you wanna do my nigga
Be up till two with my nigga

Type of shit I do with my nigga

Type of shit we deal with dem niggas

So I got the book from my nigga
The shit I took from my nigga
The hos I shook with my nigga
I got off the hook with my nigga
You should meet dat nigga
Get a bite to eat with dat nigga
Make a beat with dat nigga
And hit the street with dat nigga
'cause I'm hella cool with dat nigga
I'm always true with my nigga
Done major shit with dat nigga
And I just can't quit my nigga
I had a fro with dem niggas
Always on the go with dem niggas
A lifetime both with dem niggas
'cause I'm both of dem niggas... shit

Little something bout dat nigga
And now a little something about my nigga
Den a little something about how I'm dem niggas
See I'm both of them mayne
Shit gets deep
Real deep
Like the eyes of Minolta
Bet your shit is open
It's a dirty game like I said
It's a 430 game
An S-430 game
Let it fade on out
