

# God Bless Us Everyone

Andrea Bocelli

Come together one and all  
In the giving spirit  
Gifts abound here great and small  
Joyously we feel it

Blessings sent us from above  
Guide us on our way  
We raise our voice as we rejoice  
Bow our head and pray

A miracle has just begun  
God bless us everyone

To the voices no one hears  
We have come to find you  
With your laughter and your tears  
Goodness, hope and virtue

Father, mother, daughter, son  
Each a treasure be  
One candle's light dispels the night  
Now our eyes can see

Burning brighter than the sun  
God bless us everyone  
A miracle has just begun  
God bless us everyone

Come together one and all  
In the giving spirit  
Gifts abound here great and small  
Joyously we feel it

Father, mother, daughter, son  
Each a treasure be  
One candle's light dispels the night  
Now our eyes can see

Burning brighter than the sun  
God bless us everyone  
A miracle has just begun  
God bless us everyone
