

# Head Bang

Andrew W.K.

I Need A Head Bang  
He Needs A Head Bang Too  
I Said Come On Little Honey  
It Can Happen To You

He Needs A Bang  
Well, She Needs A Head Bang Too  
Watcha Thinkin' John  
Well, She Needs One Too

I Need A Head Bang  
I Need A Head Bang

I'm Feeling Tight And That Means Something Ain't Right  
I'm Feeling High Just Like The 4th Of July  
I'm Feeling White And It Ain't Just My Jeans  
I'm Getting Angry Because Nobody Knows

I'm Getting Going And I Ain't Gunna Stop  
I'm Getting Going Like A Florida Cop  
I'm Getting Carried To My Room Around 6  
I'm Getting Wiggy Seeing All Of These Chicks

I Need A Head Bang  
He Needs A Head Bang Too  
I Said Come On Little Honey  
It Can Happen To You

He Needs A Bang  
Well, She Needs A Head Bang Too  
Watcha Thinkin' John  
Well, She Needs One Too

I Need A Head Bang

OK, I Want To See You Bang Your Head!  
Are You Ready?  
Go!
