I Was Born to Love You

Andrew W.K.

An amazing feeling coming through...

I was born to love you With every single beat of my heart Yes, I was born to take care of you Every single day of my life

You are the one for me, I am the man for you, You were made for me, you're my ecstasy If I was given every opportunity I'd kill for your love So take a chance with me Let me romance with you I'm caught in a dream, and my dreams come true It's so hard to believe this is happening to me An amazing feeling coming through...

I was born to love you With every single beat of my heart Yes, I was born to take care of you Every single day of my life

I wanna love you, I love every little thing about you I wanna love you, love you, love you Born to love you, born to love you, yes I was born to love you Born to love you, born to love you every single day of my life I was born to take care of you every single day of my life

My life, Hay hay, every single day of my life

I was born to love you With every single beat of my heart Yes, I was born to take care of you, honey Every single day of my life.
