

Linda Linda

Andrew W.K.

I Want Life
To Be
Beautiful

Just As Beautiful
As A Gutter Rat

There Are Parts Of Me
I've Hidden From You
And They Will Never Show
In Photographs

Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda

On The Day
When We Meet
We Will Talk
About Love
Understand
Every Word I Say To You

And On That Day
When We Meet
You Will Feel It
In Your Soul
And I'll Say The Only Name
I've Ever Loved

You Are Kind To Me
And You Are Warm
Darling You're Just
Like A Gutter Rat

You Are Soft To Me
And You Are Sweet
Just Like A Gutter Rat
Now How About That!?

Oh, Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda

On The Day
When We Meet
We Will Talk
About Love
Understand
Every Word I Say To You

And On That Day
When We Meet
You Will Feel Me
In Your Soul
And You'll Know

The Only
Thing You'll Ever Know

Even If It's Not Real Love
I Won't Leave You
Just Because
I Have One Name That I Love
And One Alone

You Are Strong Just Like A Rat
And I Catch You Like A Cat
I Will Say Your Name Until The Day I Die

Oh, Linda Linda - Linda Linda Linda
