I Want Life To Be Beautiful

Just As Beautiful As A Gutter Rat

There Are Parts Of Me I've Hidden From You And They Will Never Show In Photographs

Linda Linda - Linda Linda Linda Linda Linda - Linda Linda

On The Day
When We Meet
We Will Talk
About Love
Understand
Every Word I Say To You

And On That Day
When We Meet
You Will Feel It
In Your Soul
And I'll Say The Only Name
I've Ever Loved

Linda Linda - Linda Linda Linda Linda Linda - Linda Linda

You Are Kind To Me And You Are Warm Darling You're Just Like A Gutter Rat

You Are Soft To Me And You Are Sweet Just Like A Gutter Rat Now How About That!?

Oh, Linda Linda - Linda Linda Linda Linda Linda Linda - Linda Linda Linda

On The Day
When We Meet
We Will Talk
About Love
Understand
Every Word I Say To You

And On That Day When We Meet You Will Feel Me In Your Soul And You'll Know The Only
Thing You'll Ever Know

Even If It's Not Real Love I Won't Leave You Just Because I Have One Name That I Love And One Alone

You Are Strong Just Like A Rat And I Catch You Like A Cat I Will Say Your Name Until The Day I Die

Oh, Linda Linda - Linda Linda Linda Linda Linda Linda - Linda Linda Linda
