

Rise

A New Revolution

I can't stand your face up in mine,
Always wanting to know things I do
It's funny how things change
I redefine how much faith I have in you
You won't get the best of me
You won't take the best of me
You will watch it as it all falls down

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you
Stand the fuck up and rise
I'm not afraid

I can't fake the way I feel inside
Every one of those eyes judging me
It's funny how things change
I redefine how messed up this life can really be
You won't take the best of me
You won't get the best of me
You will watch it as it all falls down

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you
Stand the fuck up and rise
I'm not afraid

You can't get the best of me
You won't get the best of me
You will watch it as it all falls down
You won't get the best of me
You can't get the best of me
You will watch this all fall
Hey you
Stand the fuck up and rise
I'm not afraid

Hey you
Stand the fuck up and rise
I'm not afraid
I'm not afraid

You can't get the best of me
You won't get the best of me
You will watch it as it all falls down
You won't get the best of me
You can't get the best of me
You will watch this all fall

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you
Stand the fuck up and rise

I'm not afraid
