Always Getting Over You

Angela Ammons

Was it not enough stimulation Hit by a brick the other day, just when I thought I'm okay Didn't like my conversation I can't come up with something new It doesn't really matter what I do

So here's my observation You could never see it through my eyes And I'm too tired to try

So don't call and say you're coming back for me It don't mean nothing I'm always getting over you And don't' lie and say that you're over me It don't mean nothing I'm always getting over you

Was it too much aggravation You're telling me the way but I won't see Then I change my mind you disagree I used to be your inspiration You chase I run you disappear I know it's never over So don't call and say you're coming back for me It don't mean nothing I'm always getting over you

And don't lie and say that you're over me It don't mean nothing I'm always getting over you Was it not enough stimulation Hit by a brick the other day, just when I though that I'm okay Didn't like my conversation I can't come up with something new It doesn't really matter what I do

So don't call and say you're coming back for me It don't mean nothing I'm always getting over you And don't' lie and say that you're over me It don't mean nothing I'm always getting over you

Don't lie and say you're over me
