

Let Me Be The One

Angela Bofill

Let Me Be The One
Baby, listen to me please
I've been dreamin' 'bout you every night
Now that you are here with me

All I want to do is hold you tight
Now take me in your arms
I've waited for so long
Let me be the one

Ooh, please don't deny my heart
Everything I want
Let me be the one
Baby, if you only knew

All the times I've loved you in ym mind
And if you let my dreams come true
I promise you it's gonna feel alright
Oh, now take me in your arms

I've waited for so long
Let me be the one
Ooh, please don't deny my heart
Everything I want

Let me be the one
Now take me in your arms
I've waited for so long
Let me be the one

Baby, please don't deny my heart
Everything I want
Let me be the one
Oh, baby

Oh... oh... oh... oh... baby
Let me be the one
