Ani DiFranco

I'll be your biggest fan, I will be your fool I'll be your exception to every rule And I ain't the type to bitch I ain't the type to cry I'll sit at your red light and wait for your ship to go by And this vague little smile is my all-purpose expression the meaning of which I will leave to your discretion Yeah my distraction is my defense against this lack of inspirat ion against this slowly deflation yeah the further the horizon you know the more it warps my gaze the foreground's out of focus but you know I kinda hope it's just a phase, just a phase just a phase, just a phase just a phase, just a phase just a phase I've been through and through this, I know just how it goes you'll have no idea, you'll have no need to know I will make your body grow wings and take flight I will erase sound, I will erase light I said this vague little smile is my all-purpose expression the meaning of which I will leave to your discretion Yes my distraction is my defense against this lack of inspirati on against this slowly deflation yeah the further the horizon the more it warps my gaze and the foreground's out of focus but you know I kinda hope it' S just a phase, just a phase just a phase, just a phase just a phase, just a phase just a phase
