Shameless

Ani DiFranco

I cannot name this I cannot explain this And I really don't want to Just call me shameless I can't even slow this down Let alone stop this And I keep looking around But I cannot top this

If I had any sense I guess I'd fear this I guess I'd keep it down So no one would hear this I guess I'd shut my mouth And rethink for a minute But I can't shut it now 'cuz there's something in it

We're in a room without a door And I am sure without a doubt They're gonna wanna know How we got in here And they're gonna wanna know How we plan to get out We better have a good explanation For all the fun that we had 'cuz they are coming for us, babe And they are going to be mad Yeah they're going to be mad at us

This is my skeleton This is the skin it's in That is according to light And gravity I'll take off my disguise The mask you met me in 'cuz I got something For you to see Just gimme your skeleton Give me the skin it's in Yeah baby, this is you According to me I never avert my eyes I never compromise So never, never mind The poetry

We're in a room without a door And I am sure without a doubt They're gonna wanna know How we got in here And they're gonna wanna know How we plan to get out We better have a good explanation For all the fun that we had 'cuz they are coming for us, babe And they are going to be mad Yeah they're going to be mad at us

I gotta cover my butt 'cuz I covet Another man's wife I gotta divide my emotions Into wrong and right Then I get to see how close I can get to it Without giving in Then I get to rub up against it Till I break the skin Yeah I got to rub up against it Till I break the skin

They're gonna be mad at us They're gonna be mad at me and you They're gonna be mad at us And all the things we wanna do They're gonna be mad at us They're gonna be mad at me and you They're gonna be mad at us And all the things we wanna do

Just please don't name this Please don't explain this Just blame it all on me Say I was shameless Say I couldn't slow it down Let alone stop it And say you just hung around 'cuz you couldn't top it
