

Deepest Hole

Anni B Sweet

So many sleepless night
so many words but no way to fix them up
so many, so many tears I've cried
is the really, not a way out?

Cos I'm falling
I am falling into the deepest hole
I've ever been in
and I'm calling, I am calling your name,
to rescue me, to rescue me.

So lost in my own imagination
so lost in my own conversation
so many, so many times I've heard all this before
is the really, not a way to stop?
not a way to stop?

Cos I'm falling
I am falling into the deepest hole
I've ever been in
and I'm calling, I am calling your name,
to rescue me, to rescue me.
