

Hole In My Room

Anni B Sweet

There's a hole in my room made of darkness and silence aomebody
taught me to throw away everything that I never wanted so that
's what I did

There's a cloud on my bed raining on me, and it won't let me sl
eep I don't know where nightmare hides but I'm sure taht they a
re here They are all by me Yes, they're all by me

Now i't full, oh full Now it's full oh! Full of shit that I don
't want here Now it's full oh full mmm
