Annihilator

Here we are at the gallery of the grotesque Come a little closer just a few more steps As we enter now we see the neophyte of life Looking for the savior living on the knife.

Gallery of the grotesque Where your fears are brought from rest
Grotesque Gallery of the grotesque strength survives this fatal test Grotesque

Feel the rhythm pounding on madly through your veins Are you willing to come with me to go insane Who here will try to die no echo no last goodbye Psychic Revelations, Welcome to your death
.

There we were at the gallery of the grotesque What's alive inside your brain, you can leave Won't you play my game In your room, dream To much blood, scream What's out there.
