Anthony B

Gat to do ma bess  
Gat to do ma bess  
I know will Jah do tha rest  
Gat to do ma bess  
So ma work will manifest  
Yo!

Try hard ma brothers, Try hard ma sisters  
While the sun shine you must make hay  
Try hard ma brothers, Try hard ma sisters  
I see you in the streets  
Yo!

See de woman working inna di free zone  
Work off the skin of her flesh leave bare bone  
I am immune to criticism am not clone  
So good to have the tings of your own  
So no one no push you round hey Yo!

Try hard ma brothers, Try hard ma sisters  
Work hard and you must get paid  
Try hard ma brothers, Try hard ma sisters  
I see you in the streets
