

Come and you will find here  
Roses have lost their glow  
The band's played for too long tonight  
The soldier's strength left him (?)

Califone I love you  
But your doing colorless  
Califone I love you  
But your singing so natural again

Come and you will find here  
Roses have lost their glow  
The band played for too long tonight  
The (?)

Califone I love you  
But your doing colorless  
Califone I love you  
But your singing Sinatra again
