

# Better Love

Anthony Hamilton

Why don't we just find a place & time  
No doubt in our minds  
When nothing is as ever as it seems

Oh, oh, oh, oh!  
There is no need to be afraid  
Through love that we made  
When we were living in a world of dreams

They said that's it's hard for a man to let it all go.  
When we getting down on our thang you and I know  
Whatever we try  
We gonna go somewhere.  
You take control baby I don't care  
I gotta keep on to pushing comes to shove  
We keep on making  
Better Love

Don't believe a thang  
What lovers say  
We tried every way  
They oughta look at you and me  
For whatever heart  
you take your time  
You teach me and I'll learn  
About the way a man should be

Gotta take control of yourself  
swallow your pride  
Every fella has what you call feelings inside  
You got to grab hold of yourself (yourself)  
before you're able to love somebody else  
I said baby I know what you're thinkin' of (heeey)  
We keep on making  
Better Love

I believe the love the kind we're makin'  
Gonna last forevermore  
Lovin' you feels so fine  
Girl we'll be getting' down this evenin' like we never did before

Better Love (we'll be makin')  
Better Love

They said that's its hard (so hard) for a man to let it all go  
(to let a love go)  
When we getting down on our thang you and I know  
Whatever we try  
We gonna go somewhere.  
You take control baby I don't care  
I gotta keep on to pushing comes to shove  
We keep on making  
Better Love
