

# Never Give Up

Anthony Hamilton

Our father  
Who art in heaven  
Hear my cry  
(Hear my cry)

Been touched again, rain on me  
Down on my luck, got chains on me  
I Lost a job to gain a child  
The road is long, but I'm losing time

Adjust my skin to protect my soul  
I search for peace in a gaze of hope  
Collect my strength to make my way  
To be in bloom on the flowerin' day

Never Let me give up,  
I can't stop trying  
[I can't stop trying]  
I can't stop crying  
(Ohh)  
To one of the flowers to make me smile

Never let me give up,  
(never let me)  
Cause I've got family  
(I've got a family)  
And with all the strength in me

It won't let me give up

Fortune lives, but we are died  
But while we're here there's sacrifices  
Baby June is off the war  
Watch little girls just turn 4  
No birthday cakes, no candles lit  
Just a photo of his family in his wallet  
Say we pray to live, and we live to pray  
Thanking God for the flowers along the way

Never let me give up,  
I can't stop trying  
{It won't let me}  
I can't stop crying  
{Give up no}  
To one of the flowers to make me smile  
(This that I have inside of me)

Never let me give up,  
Cause I've got family  
(I can't stop trying)  
And with all the strength in me

It won't let me give up

You can't make me lie  
Cause I've got a family, yeah  
Ooh, I was born to live, and I live to pray

Thanking God for the flowers along the way  
Baby June is off to war  
Watch baby girl, just turn four  
No birthday cake, no candles lit  
Just a photo of his family in his wallet  
Why the test of tears, why shed the tears?

Never Let me give up,  
I can't stop trying  
I can't stop crying  
(It won't let me)  
To one of the flowers to make me smile

Never let me give up,  
(our father who art in heaven)  
Cause I've got family  
(hallowed be thy name)  
And with all the strength in me  
(Thy will be done, thy will be done)  
It won't let me give up

Give me the strength to pull out  
Give me the words to be strong,  
May I, may I, may I, may I

Never ever give up  
I can't stop trying  
I can't stop crying  
Oohh
