

You Come Around

April Sixth

Love me, guide me, teach me your way.
To feel the compassion you give every day.
I know if I try it, just for a while,
well I just might like it and come for more!

When I am lost, and I feel afraid.
You come around!
When I am lost, and I feel afraid.
You come around!

Break the bars that try to hold me down.
When the peace of forgiveness cannot be found.
The pressure is building. I will blow your mind.
The time has come for giving, so take what's mine.

When I am lost, and I feel afraid.
You come around!
When I am lost, and I feel afraid.
You come around!

And I know that it's hard for us to be away.
And the days will drag on and on.
So, let's take our time, cause this will be awhile.
Well, we've just begun!

When I am lost, and I feel afraid.
You come around!
When I am lost, and I feel afraid.
You come around!

Well, I am lost, so won't you come and take me by the hand.
I am afraid, so won't you come and take me by the hand.
