

# You Could Have Been a Lady

April Wine

Could have been all right, could have been here tonight  
Could have been sweet as wine, you could have been a lady  
I could have been all right, I could have been here tonight  
Could have been sweet as wine, you could have been a lady

They all need you to make love to  
When you awake you find them on the bed  
Lyin' beside you  
They all love you, you're a good girl  
And I ain't surprised when you realize  
Just where you're goin' to

You could have been all right, you could have been here tonight  
You could have been sweet as wine, you could have been a lady  
It could have been all right, you could have been here tonight  
Could have been sweet as wine, you could have been a lady

If I told you, where you're goin' to  
You'd laugh in my face, say I'm out of place  
Mind your business  
And they all want you to make love to  
It's a shame, the fate of the game  
The way it delights you

You could have been all right, you could have been here tonight  
You could have been sweet as wine, you could have been a lady  
It could have been all right, you could have been here tonight  
Could have been sweet as wine, you could have been a lady  
Na, na na na na, na, na, na na na na, na  
Na, na na na na, na, na na  
Na, na na na na, na, na, na na na na, na  
Na, na na na na, na, na na

All right, you could have been here tonight  
You could have been sweet as wine, you could have been a lady  
It could have been all right, you could have been here tonight  
Could have been sweet as wine, you could have been a lady
