

Shi No Barado

Area 11

I saw your face in the LED's
My revenge was your gift to me,
It's something that I can never repay,
But I will try anyway.

I sent a message I know you'd see,
A promise written on a TV screen
Now fate led you down a path to me
And I'm beggin' you
On my knees.

'Cause, baby, when our eyes met,
('cause, baby, when our eyes met)
I could never look away,
You're all I ever wanted,
(You're all I ever wanted)
There's nothing left to say

'Cause, baby, you can use me,
('cause, baby, you can use me)
I will do what you want me to.
And, baby, you can kill me,
(baby, you can kill me)
When I'm no use,
When I'm no use to you,

My body will be a fortress,
I will keep you safe from pain,
My eyes will be your weapons,
My losses are your gains,

Whoa,
Together we can burn this to the ground,
Rebuild it into something right,
'Cause you are bigger than the planet Earth,
And I am your satellite,

'Cause, baby, when our eyes met,
('Cause, baby, when our eyes met)
I could never look away,
You're all I ever wanted,
(You're all I ever wanted)
There's nothing left to say

'Cause, baby, you can use me,
('Cause, baby, you can use me)
I will do what you want me to,
'Cause, baby, you can kill me,
('Cause, baby, you can kill me)
When I'm no use to you

I'm not afraid and I'm not alone,
Because you're with me in my dreams,
(you're with me tonight)
I won't give up on this perfect love,
Even when my memories fail me,
(when my memories fail me)

'Cause I see you through burning eyes,
I write your name down in my heart
Oh, baby, I'm just using you,
My love you know I want you to
Look into the skies

'Cause, baby, when our eyes met,
('cause, baby, when our eyes met)
I could never look away,
'Cause you're all I ever wanted,
(you're all I ever wanted)
There's nothing left to say,

'Cause, baby, you can use me
('Cause, baby, you can use me)
I will do what you want me to
And, baby, you can kill me,
(baby, you can kill me)
When I'm no use,
When I'm no,

'Cause, baby, when our eyes met
('Cause, baby, when our eyes met)
I could never look away
'Cause you're all I ever wanted
(You're all I ever wanted)
There is nothing left to say

'Cause, baby, you can use me,
('Cause, baby, you can use me)
I will do what you want me to,
And, baby, you can kill me,
(baby, you can kill me)
When I'm no use to you,

Baby, when our eyes met
You're all I ever wanted
