

# The Face Of All Your Fears

Area 54

I'm the one who you don't see  
Living just to make you bleed  
I'm the one who holds the key  
To your chains of misery

I'm the God who'll make you crack  
And when you run I'll claw your back  
You hide away but I'll just stay  
You can't escape your misery

I'm the salt in your, in your wound  
I'm the pain, the pain thats in your womb  
I suck your blood and watch you bow to me  
Only to leave your life in legacy  
I'm the pain, the pain thats in your womb  
I'm the salt in your, in your wound  
I suck your blood and watch you bow to me  
Only to leave your life in legacy

Bow to me  
Live in misery  
Bow to me

I am your fear
