Take A Look

Aretha Franklin

Take a look in the mirror Look at yourself But don't you look too close 'Cause you just might see The person that you hate the most

Lord what's happenin' To this human race? I can't even see One friendly face

Brothers fight brothers And sisters wink their eyes While silver tongues Bear fruits of poison lies

Just take a look At your children born innocent Every boy and every girl Denyin' themselves a real chance To build a better world

Dear Lord dear Lord What's happenin' To Your precious dream? It's washin' away On a bloody bloody stream

Take a look at Your children Before it's too late And tell them nobody wins When the prize is hate
