

Generations For Sale

Arise

Beyond TV-terror, human shutdown, selective mind.
A collective kind - so frail.
Magnetic senses, electrified, synthetic design.
Controls the time: Upgrade, Degenerate, Dehumanate, Manipulate.

[Chorus]
All systems has gone corrupted.
Pulsating streams of light, sublime control, energetic visions.

The human mind - So frail. An organic core, inside a metal shell,
human
flesh nailed on rails.
Upgrade, Degenerate, Dehumanate, Manipulate.

[Chorus x2]
All systems has gone corrupted, generations for sale.
