

# Right Back Where We Started From

Army Navy

Ooh, and it's alright and it's coming along  
We gotta get right back to where we started from  
Love is good, love can be strong  
We gotta get right back to where started from  
A-ha

Do you remember that day (that sunny day)  
When you first came my way  
I said no one could take your place  
And if you get hurt (if you get hurt)  
By the little things I say  
I can put that smile back on your face

Ooh, and it's alright and it's coming along  
We gotta get right back to where we started from  
Love is good, love can be strong  
We gotta get right back to where started from  
A-ha

A love like ours (a love like ours)  
Can never fade away  
You know it's only just begun  
You give me your lo-hove (give me your love)  
I just can't stay away (no, no)

You know you are the o-ho-honly one

Ooh, and it's alright and it's coming along  
We gotta get right back to where we started from  
Love is good, love can be strong  
We gotta get right back to where started from  
A-ha

I just can't stay away (no, no)  
You know you are the o-ho-honly one

Ooh, and it's alright and it's coming along  
We gotta get right back to where we started from
