

Hey Mr. DJ

Army of Lovers

Hey Mr DJ why don'tcha play a song for me
Hey Mr DJ why don'tcha play a song for me

A special kind of feeling
I'm livin' for the beat
You always see me movin' in the crowd
Spotlights from the ceiling
I'm trapped inside the heat
Motion of the vogueing lookin' loud

Hey Mr DJ why don'tcha play a song for me
Hey Mr DJ why don'tcha play a song for me

I feel like keep on movin'
You make the posse jack
When workin' on the records spinnin' round
You wanna see me groovin'
Well play my favorite track
I can't resist the motion of that sound
The man who works behind the wheels
He's got the key to set you free

Hey Mr DJ why don'tcha play a song for me
Hey Mr DJ why don'tcha play a song for me

Master of the dancefloor
You're always in control
Manipulate 'n stimulate for fun
Pulled into hardcore
Givin' up my soul
You really make me feel like
I'm the one

The man who works behind the wheels
He's got the key to set you free

Hey Mr DJ why don'tcha play a song for me
