

# Life Is A Bitch

Arno Carstens

I'm stranded on an island  
I can't see my family  
I'm waiting to be rescued  
From palm trees and heavy seas  
I'm starving of the hunger  
I can't eat their money  
I'm waiting for the next fix  
Out in space with the dirty tricks  
Hours...  
Hours go by and I'm lonely, baby  
I'm figuring out my role  
Life is a learning curve so maybe we are the unseen ghosts  
I'm playing the role of a father figure that never gets to see  
the kids  
But I've got the power and you've got the power...  
To put a stop to the itch  
Life is a bitch  
Bitch  
I'm stranded on an island  
I'm starving from the hunger...  
I can't eat their money and I can't see my family  
I'm waiting to be rescued  
Out in space with my dirty tricks  
Hours...hours  
Hours go by and I'm lonely, baby  
Figuring out our roles  
Life is a learning curve so maybe we are the unseen ghosts  
I am playing the role of a father figure that never gets to see  
the kids  
But I've got the power and you've got the power...  
To put a stop to the itch  
Life is a bitch
