

Terra Incognita

The House of God
Would you believe it ?
Meaning of Life
Can you perceive it ?
We question our own Existence

The Work of God
Or just a Theory ?
Is it Fact or
Just a Vague prediction of Thruth ?
Quarrel goes on forever

Unknown and Regretful
Unknown and Regretful
Unknown and Regretful
In your Mind

You' re so Naive
You think you know it all
In this Life
Nobody knows the half of it
How can you be so sure ?

Let me hear you Roar
Let me hear this Roar
Let me find Ahledetyzah
