

## Change My Life

## Ashes Remain

I'm still awake tonight  
broken up inside  
I wanna run  
but I don't know where to go  
I'm calling Your name  
through the pain  
Will You turn Your face to me  
I'm crying out  
I need a miracle

If You could make the sun burn through the night  
And You could make the dead man come alive  
If You could make the oceans all run dry  
Then I know You can change my life  
I know You can change my life

I wanna know who You are  
that You can fix my heart  
And I don't have to run anymore  
Open my eyes  
let me see  
Give me hope and set me free  
Cause I don't wanna be the way I was before

If You could make the sun burn through the night  
And You could make the dead man come alive  
If You could make the oceans all run dry  
Then I know You can change my life  
I know You can change my life

Give me something to believe in  
Something worth fighting for  
Something that I can't ignore  
You could make the sun burn through the night  
You could make the oceans all run dry..

If You could make the sun burn through the night  
And You could make the dead man come alive  
If You could make the oceans all run dry  
Then I know You can change my life  
I need you to change my life

I need you to change my life
