

## Free Spirit

### Atlanta Rhythm Section

In the dawning of the social revolution  
In an age when, 'do your thing', was never done  
I met a woman like I'd never known  
A girl with a mind of her own, she spoken freely

She began to talk about a new horizon  
She said, "Come with me, babe, we shall overcome"  
She said, "Excuse me while I kiss the sky  
You see some folks were going to die, I was born to run"

She was a free spirit  
A gypsy with an angel's wings  
She was a free spirit  
The answer to a dreamer's dreams  
Free spirit

I still dream about the first time we were lovers  
And I can't forget how beautiful it was, yes, it was  
It wasn't guilty and it wasn't a shame  
It wasn't something that you've got to explain  
Lord, it was free love

She was a free spirit  
A gypsy with an angel's wings  
She was a free spirit  
The answer to a dreamer's dreams  
A free spirit

She was a woman, way ahead of her time  
She had vision when the world was blind, liberty

She was a free spirit  
A gypsy with an angel's wings  
She was a free spirit  
The answer to all my dreams

She was a free spirit  
A gypsy with an angel's wings  
She was a free spirit  
The answer to all my dreams

She was a free spirit  
A gypsy with an angel's wings  
She was a free spirit  
Oh, once in a life time, babe
