

Baby I Love Your Way

Atlantic Starr

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
But don't hesitate
Cos your love, your love won't wait, oh no, no

Ooh baby I love your way, every day
Wanna tell you I love your way, every day
Wanna be with you night and day
Hey, yeah, I love your way

If I leave here tomorrow
Will you still remember me
For I must be travelling on now
There's so many places I've got to see

But if I stayed here for good, girl
Things just wouldn't be the same
Cos love is free as a bird now
And this bird will never change
And this bird will never change

Shadows grow so long before my eyes
With the help of some fireflies
I wonder how they have the power to shine
I can see them under the pine
But don't hesitate
Cos your love, your love won't wait

Ooh baby I love your way, every day
Wanna tell you I love your way, night and day
Oh baby I love your way, every day
I wanna tell you I love your way
I love your way
Wanna tell you I love your way
Oh baby I love your way
Oh baby I love your way, every day
Wanna tell you I love your way, night and day
Oh baby I love your way, every day, every day
Wanna tell you I love your way, every day, every day
