

I don't wanna be what you wanna be
I just wanna be what's right for me
I don't wanna see who you wanna see
Because your friends are no good for me

You say that love's an open door
I see you walking out but I hear you taking more
Now you wanna kick it cause you dropped on the floor

I don't wanna go where you wanna go
Cause when you go you move too slow
I just wanna see what I wanna be
And now it seems that I wanna be free

I'm hearing what you're saying
But I don't know what you're doing
And I need some things explaining
Cause you're evil and you're using
This giving and mistaking
This reality that you're faking
Can't you justify the feeling
And the pain that you're making
