

You never said that this would be easy  
So go on live  
You never said that this would be easy  
So go on live, woo

This is the best part of the message  
And it only took one

We live for what He's worth  
And that's more than you'll know  
He died for what He loved  
And what he loved was you

I'll wait for you  
You know I'll wait for you  
I'll wait for you  
You know I'll wait for you

You never said that this would be easy  
So go on live  
You never said that this would be easy  
So go on live  
Bow your head, go on live

This is the time to let yourself go  
Lord, pick me off the ground  
You never said this would be simple  
So pull me in and turn around
