

## FLii Away

Auburn

I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...

[Verse 1]  
Now I've been sittin' here  
Missing you  
Thinkin' bout those crazy things  
We used to do  
And I can't help but think  
That its cuz' of me  
More than a friend, you were blood, you were family  
And I try to stay happy but I can't  
I wish that you were here  
Things ain't the same  
I wish that you would've listened  
Should've paid more attention  
But now it's to late..

I just wanna fly away  
From all of this pain,  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...

I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...

You know that it gets hard for me  
Remeniscing bout' what we did  
And it's killing me inside  
I wish that I could change the past  
(But I can't)  
I wish that you were here with me  
(But you ain't)  
I know that things won't get better til' I move on  
I wish I could, but the feelings so strong  
Wish I had the chance to apologize.  
No I never meant what I said that night  
But now its too late

I just wanna fly away  
From all of this pain,

Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...

I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...

I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...to be with you)  
I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...to be with you)

I jus wanna fly away  
(I'm missing you like crazy)  
(Missin' you like crazy...wish that I could fly away)  
I jus wanna fly away  
(I'm missing you like crazy)  
(Missin' you like crazy...wish that I could fly away)

I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...wish that I could fly away)  
I wish that I could fly awaaaay)  
(ooh Ooh)

Wish that I could fly away  
Fly Away  
Fly Awaaaay

I just wanna fly away  
Fly Away  
Fly Awaaaay

Fly Away...
