

The Things

Audio Bullys

Do you want to?
I want to... change the things that I do
(4x)

There's a time-limit
on my brain stem
Where am I going?
dunno man
I'm going with a new song,
[Undecipherable]

I make love, robbin' streets,
Smoking reefers, drinking out again,
Ya miss my head,
who gives a fuck? Do you?
