The Worm

Audioslave

Was a time early in life When I hated everything Born too young, top of my lungs Sitting on the bottom rung Took advice from the wrong shoulder Took a lot of everything I've decided to make it alright with my

Halo--I'm complete Halo--with me underneath Halo--I'm reborn I can do no wrong

Black and blue, suffering fools By the age of seventeen Low and high, just one more time Felt like an eternity Right or wrong, never too strong Friends became my enemies God forsaken, never too late with my

Halo--I'm complete Halo--with me underneath Halo--I'm reborn I can do no wrong

You'll stay the same You'll stay the same

Halo--I'm complete Halo--with me underneath Halo--I'm reborn Halo--I'm complete Halo--with me underneath Halo--I'm reborn I can do no wrong
