

## Wisdom Cries

AURORA

We go way back in time, time  
Through diamond eyes  
We go running  
Way back in time  
Through diamond eyes

We gotta go back to the start  
Back 'til we are back home  
We gotta go back to the start  
Back 'til we are back home

Tick-tock, tick-tock  
Tick-tock tick  
Where is the light  
Are we meant to go down again?  
We go down

Lightening strikes  
Wisdom cries  
It's an emergency, emergency  
Conscious all night  
No one's surprised  
As long as we...emergency  
Emergency, emergency

Wis-Wisdom cries  
Wisdom cries  
Wisdom cries  
Wisdom cries  
Wisdom cries  
Wisdom cries
