

Get To The Choppa

Austrian Death Machine

Get to the choppa

Now our escape begins

Get to the chopper
It's the only way out of here
Don't let that stop you
Don't let them hold you back

This is our chance
We all must go
Dead or alive
Oh yeah

Bring it

Get to the choppa
It's the only way out

Get to the choppa
It's the only way out

You want to kill my friends
But we got more guns left
You're gonna get back up
They're gonna shoot you in the face

Yeah, that's right
Shoot you in the face
You're gonna get back up
And shoot you in the face

Now our escape begins

Get to the choppa
It's the only way out

Get to the choppa
It's the only way out of here!
Now! Get to the choppa!

Get to the choppa
Get to the choppa
Get to the choppa
Get to the choppa

Get to the choppa!
