Hell Bent For Leather

Austrian Death Machine

Seek him here, seek him on the highway Never knowing when he'll appear All await, engine is ticking over Hear the roar as they sense the fear

Wheels! a glint of steel and a flash of light! Screams! from a streak of fire as he strikes!

Hell bent, hell bent for leather Hell bent, hell bent for leather

Black as night, faster than a shadow crimson flare from a raging sun An exhibition, of sheer precision Yet no one knows from where he comes

Fools! self destruct cannot take that crown Dreams! crash one by one to the ground

Hell bent, hell bent for leather Hell bent, hell bent for leather

There's many who tried to prove that they're faster But they didn't last and they died as they tried

There's many who tried to prove that they're faster But they didn't last and they died as they tried

Hell bent, hell bent for leather Hell bent, hell bent for leather Hell bent, hell bent for leather Hell bent, hell bent for leather
