

Let's go!  
Watching your friends grow up around you really sucks but that's okay  
Cuz I'm doing the same  
The same old people that they ever were, but new problems  
And new times always seem to change their smiling face  
Well times are changing, but not me, I'll always stay the same  
We're always keeping it fun and games  
I'm drinking 40s with my homies in the park, but that's okay  
Cuz we'll always stay the same  
Well finishing off four kegs is no easy task, but we did it any way  
On Heather's birthday  
We got fucked up and layed in the grass all night into the next day  
But that's okay!  
Well I walk around these streets and see a million faces that I've never seen before  
I've got my boys, and nothin's changin'  
We'll drink it up, pass me a cup, well don't you fuckin' puke on me  
Well that's okay!  
We'll drink it up, let's get fucked up, nothing's gonna change, well that's okay  
These fuckin' feelings are gonna get to me, we'll do it anyway, well that's okay  
People don't realize that we'll always be brothers, and until then  
We'll depend on one another, until tonight, how 'bout a fuckin' fight?  
Why can't you understand, we're going to demand  
It's gonna be alright, me and my boys tonight!
