

Not You

Authority Zero

Not you!
Not you!
Not you!
Not you!
I'm me not you!
What have I done, and what am I to believe?
Well, not a single thing you're saying to me
I've had enough my friend, and I'm fed up again
Well it's me not you
See it's my life not yours
Take a look I'm not gonna take anymore
Don't you know it's me not you!
Individuality, what does it mean
I think it's you'll be you, and I'll be me
Your own opinion? Great, grand, good for you
It's still me, not you
It's my life not yours
Take a look I'm not gonna take any more
Don't you know it's me not you.
