Light a Candle

Light a candle For the old man who sits staring Out a frosty windowpane

Light a candle For the woman who is lonely And every Christmas is the same

For the children who need More than presents can bring

Light a candle, light the dark Light the world, light a heart or two Light a candle for me I'll light a candle for you

Light a candle For the homeless and the hungry A little shelter from the cold

Light a candle For the broken and forgotten May the season warm their souls

Can we open our hearts To shine through the dark?

Light a candle, light the dark Light the world, light a heart or two Light a candle for me I'll light a candle for you

Ooh and in this special time of year May peace on earth surround us here And teach us there's a better way to live

Oh, and with every flame that burns We must somehow learn That love's the greatest gift That we could ever give
