## **Excited**

First class flight, fendi bags, ics A ittle something to digest, penthouse address Nothing too good for my girl Live the fast life, let me keep you right This is what I do, when I do what I do What's your name, let me start this by introducing my self It ain't a game, I'll make sure you leave here with nobody else Girl I know what you trying to do, every n\*\*ga in the club got his eye on you But they lying to you, I'm the only one worth it yeah I can bring from the old to new, give you something to look for ward So baby what you wanna do, cause your such a tease. But it makes me excited, girl you make me excited Say you make me excited, just what you doing to me It's time to leave, yeah, yeah Take a walk with me, let me buy you a drink I know how to get you, tequilia and lime juice Don't worry your breaking no rules It's going down, booty brown and round Just how I like it, I know the feelings is mutual girl I'm not standing here just to waste your time But I'm positive, if you keep staring at me I'ma lose my mind Girl I know what you tryna do, every n\*\*ga in the club got his eye on you And they lying to you, cause I'm the only one worth it yeah yea h I can bring from the old to new, give you something to look for ward So baby what you wanna do, cause your such a tease. But it makes me excited, girl you make me excited Say you make me excited, just what you doing to me It's time to leave, yeah, yeah If you sexy, ima get it, and if you go home with me ima hit it If you sexy, ima get it, and if you go home with me ima hit it Girl I know what you tryna do, every n\*\*ga in the club got his eye on you And they lying to you, cause I'm the only one worth it yeah yea h I can bring from the old to new, give you something to look for ward So baby what you wanna do, cause your such a tease.
