

# Wake Up

Avant

Wake up in the middle of the night  
With my girl beside me feeling naughty  
Just watching her lay there  
Such a sexy atmosphere  
She.. hand on the pillow  
Got me feeling to myself  
Here we go

I know I should go back to sleep  
But I can't help it you have taken it girl  
I'm not a.. but I can be if you let me  
Touch it, harder..  
So many things that I wanna do that involves you  
But first I need you  
To make love  
I know that you feel that  
Wake up  
I can tell by the way your arching your back and look me like that  
Wake up it's early in the morning  
But that ain't mean I don't wanna a piece of you  
Wake up

When I came with the fellows at 12  
.. all day got me tired as hell  
But it don't matter cause I wanna get at you  
I'm right there behind you thinking my..  
I can't believe it  
So I'm gonna take this to another level

I know you're gonna get up in a minute  
But I can't make it girl  
I'm not a.. but I can be if you let me  
Touch it, harder..  
So many things that I wanna do that involves you  
But first I need you  
To make love  
I know that you feel that  
Wake up  
I can tell by the way your arching your back and look me like that  
Wake up it's early in the morning  
But that ain't mean I don't wanna a piece of you  
Wake up

I got to be on you really on you  
Baby touch me  
Wake up baby  
You don't have to move it girl  
I'll make you wanna get into it  
Once I'll do it  
You will be wide awake

I know you're gonna get up in a minute  
But I can't make it girl  
I'm not a.. but I can be if you let me  
Touch it, harder..  
So many things that I wanna do that involves you  
But first I need you

To make love  
I know that you feel that  
Wake up  
I can tell by the way your arching your back and look me like that  
Wake up it's early in the morning  
But that ain't mean I don't wanna a piece of you  
Wake up
