

## Critical Acclaim

## Avenged Sevenfold

Shh... quiet, you might piss somebody off  
Like me, motherfucker, you've been at it for too long  
While you feed off others' insecurities  
You stand in front of me and bite the hand that feeds

Self-righteousness is wearing thin  
(Lies inside your head, your best friend)  
Heart bleeds but not for fellow men  
(Broken glass, your fake reflection)

I've had enough  
It's time for something real  
I don't respect the words you're speaking  
Gone too far  
A clone

So how does it feel to know that someone's kid  
In the heart of America has blood on their hands  
Fighting to defend your rights  
So you can maintain a lifestyle  
That insults his family's existence  
Well, where I'm from we have a special  
Salute that we aim high in the air  
Towards all those pompous assholes  
Who spend their days pointing fingers  
(Fuck you)

Shh... quiet, you might piss somebody off  
Like the heartbeat of this country when antagonized too long  
I'll be damned if you count me in as part of your generous hypocrisy  
Collecting enemies

Tabloid gossip queen, worthless man  
(There's no need for us to bury you)  
Selfish agenda once again  
(Right this way, you've dug your own grave)

I've had enough  
It's time for something real  
I don't respect the words you're speaking  
Gone too far  
A clone

All the way from the east to the west  
We got this high society  
Looking down on their very foundation  
Constantly reminding us that our actions  
Are the cause of all their problems  
Pointing their fingers in every  
Direction, blaming their  
Own nation for who wins the elections  
They've never contributed a fucking thing to the  
Country they love to criticize

Excuse the obscene, ignore the untrue  
Depictions we see try and get through  
Admitting mistakes can hurt

I'm not the last but I sure ain't the first

Shh... quiet you might piss somebody off

Self-righteousness is wearing thin  
(Lies inside your head, your best friend)  
Heart bleeds but not for fellow men  
(Broken glass, your fake reflection)

I've had enough  
It's time for something real  
I don't respect the words you're speaking  
Gone too far  
A clone
