

# High Flyin' Woman

Average White Band

Stand up  
Don't let the people get you down  
Play some funky music, get dancin',  
Better than hangin' around,  
You got to fight, fight  
The blues ain't strong enough to beat you  
Come on out tonight, don't need money  
I'll be there to meet you

Cause I believe I can make you  
A HIGH FLYIN' WOMAN again,  
Forget about the past  
You'll never see that man again.

Time was  
We were just like sister and brother  
But you got hung on him - all the time  
He treated you like the others  
Hey now  
He's gone from your life - let's celebrate  
Put on these high-heeled shoes, paint your face  
Got no time to waste

Cause I believe I can make you  
A HIGH FLYIN' WOMAN again  
Forget about the past  
You'll never see that man again.

Hey, hey, gonna make you a high-steppin' chicken again,  
Hey, hey, come on baby, come on out tonight  
Cause I believe I can make you  
A HIGH FLYIN' WOMAN again  
Forget about the past,  
You'll never see that man again.  
Cause I believe I can make you  
A HIGH FLYIN' WOMAN again.
