

Nice Rotting Eyes

Avulsed

A fascination - for human eyes
Of any colour - from any race
A chest of drawers - full of dried eyes
That he collected - from his girlfriends

Normally a girl - lasted for a week
Just time enough - to pull her eyes
Didn't need sex - didn't need love
Her pretty eyes - his best treasure

Nice rotting eyes
Nice rotting eyes
Nice rotting eyes
Nice rotting eyes

Tied on a stretcher - completely engaged
Wide open eyelids - dilated pupils

Nice rotting eyes
Nice rotting eyes
Nice rotting eyes
Nice rotting eyes

Removing her eyes - with delicacy
They'll be carefully - classified
The eyeless corpses - were carbonized
Nothing remains - just heir precious eyes

Nice rotting eyes
