

## Who Are They?

Ayo

He wants to cross the ocean,  
No matter what it takes  
They say over there  
Is where the dreams are made  
There he won't have to work as hard  
Can make loads of money no matter who you are  
Over there he lived a good life  
They say everything's so much easier  
Who are they?  
To separate what God gave  
Who are they?  
To tear us apart... who we are  
Who are they?  
To separate what God gave  
Who are they?  
To tell me that I can't stay
