

Dangerous Mood

B.B. King

Look out baby
I'm in a dangerous mood
I done called up the bossman
Told him where to go
And just what to do

Call me crazy
But i did what I had to do
You can call me stupid
I just did what I had to do
I had to steal a little time baby
So I could spend it all on you

I parked the car down the street
And I unplugged the phone
So it would look just like
Ain't nobody home
I put a rose on your pillow
Where you lay your pretty head
I'm gonna rub your tired shoulders
Bring your dinner to your bed

Look out baby
I'm in a dangerous mood
I had to steal a little time baby
So I could spend it all on you

I'm gonna light a candle
Put the champagne on ice
And if one ain't enough
Well we'll just have to do it twice
I done made myself a will
And I've called my next of kin
'Cause I'm gonna love you over
And over and over
Again and again

Look out baby
I'm in a dangerous mood
I had to steal a little time baby
So I could spend it all on you

Look out baby
I'm in a dangerous mood
Look out baby
I'm in a dangerous mood
I just this one last paycheck baby
And I'm gonna spend every dime on you
